DETAILED ACTION

Election/Restrictions

Applicant's amendment and remarks with regard to claims 62-64 have been considered and the examiner agrees with applicant. Thus, these claims have been rejoined and examined.

Claims 61, 65, 68, 75, and 77 remain withdrawn from consideration because of the reasons set forth in the Office action mailed on December 17, 2004.

Terminal Disclaimer

The terminal disclaimer filed on April 14, 2005 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of U.S. Patent No. 6,280,450 has been reviewed and is accepted. The terminal disclaimer has been recorded.

This application is in condition for allowance except for the following formal matters:

Claims 56-60, 62, 63, 64, and 66 are objected to because of the following informalities:

In claim 56, lines 7 and 10, "the target tissue mass" should be changed -- tissue mass -- in order to provide antecedent basis and make the claim more clear. It is noted that applicant also could just changed in lines 1 and 2, "a tissue mass" to -- a target tissue mass --. Furthermore, in line 9, "extending extendable" should be changed to -- extendable --.

In claim 63, line 13, "advanced" should be changed to -- advanceable -- and in line 14, "extending" should be changed to -- extendable -- in order to prevent that applicant positively recite the "target tissue mass" in combination with the apparatus.

Appropriate correction is required.

Allowable Subject Matter

Claims 56-60, 60, 62-64, 66, 67, 69-74, 76, and 78-80 are allowed.

Please, in response to this Office action cancel the non-elected claims in order to advance prosecution of the application.

Conclusion

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

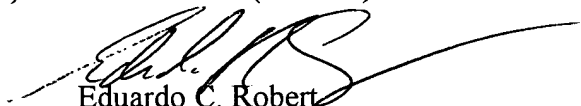

A shortened statutory period for reply to this action is set to expire **TWO**
MONTHS from the mailing date of this letter.
